Welcome to the February issue of PC Vibes! It is yet another edition of celebrating achievements. It gives me an immense sense of satisfaction to view the wide spectrum of activities throughout the month. Not only the classrooms, even the auditoriums and playgrounds were buzzing with positive energy. Hats off to the team of editors for efficient content management! I'd also like to raise a toast to all faculty members, staff and students who worked in the backdrop to bring out the February 'Vibes'. Cheers!

We are thrilled to present the second edition of the Patna College Newsletter for February 2024. Notably, the January 2024 edition garnered a warm reception following its release by the Honorable Vice Chancellor of Patna University. Beyond the routine academic pursuits of teaching and learning, the college remained abuzz with activities such as the annual sports, theatre workshops MoU, seminars and talks. College students actively participated in a workshop on the Indian Knowledge System at Rajbhavan, Patna.

College teachers served as resource persons and chief guests. Some faculty members have successfully completed their Refresher and Faculty Induction Programmes as mandated by the UGC.

As editors this was a pleasant challenge to incorporate all the activities into four pages of PC Vibes.

We warmly welcome suggestions and feedback at our email address - pcvibes.nb1863@gmail.com.
