Principal's Note

Prof. Sanjay Kumar Sinha
Principal

Hi folks !

We are back with another edition of P C Vibes packed with all the latest updates and achievements.

Patna College is definitely on a roll earning trust through actions .

Holding more than twenty diverse activities ranging from academics to sports, national festival to social service, healthcare to environment in a month is truly amazing.

I am grateful to the bunch of determined stakeholders for putting up such an amazing show of commitment to goals.

Let us keep working together to build a supportive and inclusive environment, where everyone can grow and succeed.

See you again next month !

Editors' Note

Dr. Richa

Dr. Naqui Ahmad John

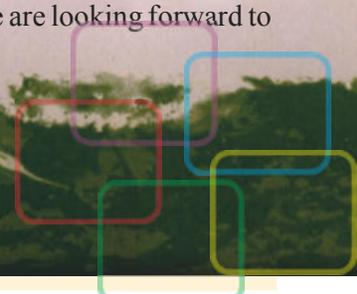

Mr. Avinash Kumar

Dr. Surya Nath Singh

As editors, compilation of PC Vibes for the month of August has been exasperating. The campus was ever enthusiastic with numerous events and activities without disturbing the teaching-learning activities.

Timeline is a testament of the range and variety of events that took place. Lectures on Indian Knowledge System, NIRF, Anti-Ragging Policy, History and Question of Identity, Food, Diversity and Identity and Viksit Bharat by speakers of national and international repute certainly helped in the enhancement of knowledge. Moreover, events related to ecological concern and health concern were organised to the benefit of all the stakeholders and sport's events helped develop a team spirit. Even if it was exhausting to accommodate everything, we are looking forward to many such editions.
